[Expanded MU emergency department intended to decrease wait times, officials say*](#)

Columbia Missourian - October 30, 2018

After years of planning and discussion, **MU Health Care** unveiled Tuesday a renovated and expanded emergency department that officials hope will cut down on patient wait times.

[University of Missouri Hospital completes ER renovations*](#)

Columbia Daily Tribune - October 30, 2018

More exam rooms and less waiting room space are among the features of **University of Missouri** Hospital's emergency department following the completion of a renovation project increased working space by nearly 90 percent.

[Birds in a cage: MU has impounded 20 Bird scooters since August](#)

Columbia Missourian - October 31, 2018

MU has impounded 20 Bird scooters since the company first dropped them off in Columbia, MU spokesman Christian Basi said.

[Bird scooters get competition with arrival of Lime](#)

Columbia Daily Tribune - October 30, 2018

Officials at the **University of Missouri** still haven't heard from anyone with Bird. MU spokesman Christian Basi said no one with Lime has contacted the university, either.

[Protests planned for Trump's rally in Columbia](#)

ABC 17 News - October 30, 2018

"The race between McCaskill and Hawley is very close," said **University of Missouri** political science professor Peverill Squire. "It has been that way for the last couple of months so he has every reason to get just one more Republican to show up because it could be just a handful of votes that make the difference."

[Trump is heading to Columbia for midterm rally](#)

The Maneater - October 30, 2018

"The city of Columbia and the **University of Missouri** have always been huge volunteer bases for Republicans," Bozarth said in an interview with The Columbia Tribune. "It is not just the city of Columbia, it is the Columbia-Jefferson City market, which is very Republican as a market."

[State representative candidates on the issues: Higher education costs](#)

Columbia Missourian - October 31, 2018

Actually, education is already free. What you are paying for at places like the **University of Missouri** is accreditation or licensing. The solution to the high cost of accreditation is to allow students to learn on their own and pass a test, sort of like a GED for college.

[Trump plans final rallies in Missouri, one of nation's tightest Senate races](#)

United Press International - October 30, 2018

"The best evidence shows it is a very tight race," said Peverill Squire, a political science professor at the **University of Missouri**. "Neither candidate has enjoyed much of a lead."

[Mortals Anonymous: Inside the Cafés Where People Go to Talk About Dying](#)

Wired - October 31, 2018

"People don't want to talk about death because talking about it makes it real," says Mooney, who researches mortality for the **University of Missouri** and is also a social worker for hospice and end-of-life care. "But there's a saying in the Death Café world that talking about sex won't make you pregnant and talking about death won't make you die."

[California state park's name sparks a debate: Is the word 'Negro' offensive?](#)

The San Francisco Chronicle - October 31, 2018

By 1974, a majority of black Americans said they preferred the term "black" to "Negro," according to a Roper Center for Public Opinion Research poll cited by **University of Missouri** political science professor Ben L. Martin.

[Forage insurance deadline nears](#)

Brownfield Ag News - October 30, 2018

University of Missouri economist Ryan Millhollin tells Brownfield the drought of 2012 got the interest going and the number of buyers in Missouri grew ten-fold by last year.

[Away with the fairies](#)

New Zealand Geographic - October 31, 2018

David Jachowski and Dylan Kesler from the Department of Fisheries and Wildlife Sciences at the **University of Missouri** believe that triage is contrary to the fundamental concepts of conservation biology in that it "assign[s] values to species based on the economics of their recovery".

University of Missouri-Kansas City

[Remembering Shui Qing Ye*](#)

UMKC Today - October 29, 2018

University of Missouri-Kansas City faculty member and renowned researcher Shui Qing Ye, M.D., Ph.D., died on Oct. 24 following a prolonged illness.

[Here's Why These Young Kansas Citizens Are Voting For The First Time](#)

KCUR - October 30, 2018

UMKC fraternity brothers Nick Coffey, Angelo J. Pacheco and Spenser Morgan share a passion for politics, though they plan to cast different votes on Nov. 6.

[Brush Creek cleanup accomplishes more than beautification](#)

University News – October 29, 2018

The first ever **UMKC** Student Environmental Coalition cleanup of Brush Creek succeeded in returning the creek to a pristine state for residents and wildlife, but the impact on the community is much deeper.

[Amendment 1 would make several changes to Missouri politics](#)

KCTV5 – October 29, 2018

“Right now, Missouri has relatively few requirements for how legislative districts are drawn,” said Debra Leiter, **UMKC** political science professor.

[Protesters want to see old Kansas City school repurposed](#)

KCTV5 – October 29, 2018

Jacob Wagner, a planning professor at **UMKC**, says fixing the building could help stabilize the 27th street corridor.

University of Missouri-St. Louis

[Nation rallied around veterans after Great Recession, but many are underemployed](#)

St. Louis Public Radio - October 31, 2018

The jobless rate for veterans has declined steadily in recent years, after peaking at 13 percent in 2010. That’s largely because federal and state governments and many of the nation’s largest employers — from Home Depot and Federal Express to AT&T — made a commitment to hiring veterans after the recession, said Jim Craig, director of the Veterans Studies program at the **University of Missouri-St. Louis**.

[5 local universities rank among world's best](#)

St. Louis Business Journal - October 30, 2018

Other local universities on the list include Saint Louis University at No. 567; Southern Illinois University at No. 890; and the **University of Missouri-St. Louis** at No. 934.

[Six Missouri Colleges Ranked Among The Best on Earth](#)

Patch - October 30, 2018

The Chronicle of Higher Education

[U. of Maryland President Steps Down After Damning Football Report](#)

The Chronicle of Higher Education - October 30, 2018

Wallace D. Loh, president of the University of Maryland at College Park, will step down following an investigation into an embattled football program described as having little oversight, where players were afraid to speak up. He will retire in June 2019. Meanwhile, Damon Evans and DJ Durkin, the athletic director and head football coach, respectively, will keep their jobs. Speculation had been swirling since Friday, when Loh, Evans, and Durkin met with the university system's regents.
