The Chronicle of Higher Education

[A Chancellor, a Porn Star, and \\$5,000: Did a Wisconsin Campus Find the Limit to Free Speech?](#)

The Chronicle of Higher Education – November 29, 2018

In 2017 the University of Wisconsin system notched what it called a big win for free speech. Raymond W. Cross, the system's president, celebrated new rules, which called for punishing hecklers who interrupt speakers, as necessary to teach students "how to engage and listen to those with whom they differ." And the policy was explicit: It was up to the campus chancellors to make that happen.

****Story generated by efforts of the university's PR team.***
